### *NEW BUSINESS*

At the October meeting we need to be setting up the nominations for a December vote on new officers. Many of the current officers have been serving in one form or another for many years. Even if you have been a member for a short period of time, you might consider running for a position. *(Remember, if you aren't there you cannot decline!)*

December, we will close the nominations for the new Board members and vote.

### *GATS NEWS*
